

Visit
WILLIAMSBURG
JAMESTOWN ▼ YORKTOWN

**WilliamsBLOG Contributor Familiarization Tour
Ashley Washington**

Date(s) of Visit: March 27, 2021

Number in Group: Two adults, two children

Names: Ashley Washington, Raymond Washington (photographer), Madison Washington (age 6), and Raymond Washington III (age 2)

Topic: STEM educational opportunities and activities in Williamsburg

Participation Deadline: March 1, 2021

Description of the post(s):

Ashley will highlight how a visit to Williamsburg area attractions lends itself to teaching young children the basic principles of science, technology, engineering, and math (STEM). The post will include educational activities that put into play the fundamentals of what can be experienced at each attraction.

Industry Partner Requests:

- Attractions that offer activities with STEM components such as:
 - o Chemistry
 - o Computer Science
 - o Engineering
 - o Geosciences
 - o Life Sciences
 - o Math
 - o Physics
 - o Astronomy
 - o Social Sciences
