

SPORTS WILLIAMSBURG

SPORTS MARKETING EVENT GRANT PROGRAM

OBJECTIVE

The Sports Marketing Event Grant Program is available for athletic events consisting of games, exhibitions, tournaments and other sports related events that are to be played in the Greater Williamsburg, Virginia area. It is designed to help with the promotion of tourism driven activities, to directly increase hotel and motel occupancy, and to create positive publicity for the Greater Williamsburg area. An event is applicable if it meets one or more of the following criteria:

- Generates year-round visitation that results in economic impact through increased overnight accommodations, meals and other revenues.
- Contributes to the quality of life in Williamsburg through sport.
- Generates positive national or regional media exposure for the Williamsburg area.

DESIRED OUTCOME

Sports Williamsburg desires to attract high quality amateur and professional sporting events, conferences, and meetings. The grant is used to help generate year-round tourism, economic impact, and quality of life in the Greater Williamsburg area. Special grant consideration may be given to those events that occur between November and February; as well as groups that are staying on days between Sundays through Thursdays. Each group will be evaluated by a committee based on grant criteria and historic event results. The award of these grants is dependent on the availability of funds. Reduction of funding to the Greater Williamsburg Chamber & Tourism Alliance may result in reduction or elimination of grant awards. _____ **initial**. We would like events that are spread out over multiple days and that pull the majority of the participants from out of town. The grant provides funding assistance to allow sufficient marketing of the event to out-of-area residents as well as attract overnight visitors to the Greater Williamsburg area; allowing for significant economic impact within the hotel industry, timeshares, and campgrounds as well as restaurants, retail establishments, and other attractions.
